

MORRIS FARMYARD

Buyers Conditions

All sales are final, we do not give refunds -*If for ANY REASON you cannot keep the puppy you have purchased from Morris Farmyard you MUST RETURN the puppy/dog to Morris Farmyard. This Dog cannot be sold or given away or placed in a shelter it MUST to be returned to the Morris family.

Once you have decided on a certain puppy we will give you 24 hours to get a deposit in order to hold the puppy. We do not take deposits on unborn puppies.

We require a deposit of 1/2 of the price of the puppy. This deposit will not be refundable for any reason, (Unless the puppy should die prior to being 8 weeks of age, in which case the deposit will be refunded.) The balance for puppy and Transportation will be due at 7 weeks of age or at the time the puppy changes locations.

*If the buyer cancels for any reason after the puppy turns 8 weeks old; or after transportation arrangements are made for any reason all money paid toward the puppy is forfeited at that time.

*If registration and/or health paper/Microchip have been put in the buyers name you will be billed and agree to pay the amount to change them back to Morris Farmyard as ownership.

The transportation cost is the responsibility of the buyer. We do delivery if possible. We meet people all over the USA.

Health Guarantee:

You as a new owner agree to provide the health and vet care to ensure the new puppy is protected against any and all disease. You are responsible for any and all health care from the moment the puppy arrives. You must have the puppy examined by a licensed Veterinarian with 72 hours of arrival, and report exam to Morris Farmyard for the Health Guarantee to be in effect.

You are responsible to call us within one hour of receiving your puppy AND again within the next 24 hours with an update--If these CALLS are not made the Guarantee is cancelled.

The puppy will have had a High Titer Parvo Vaccine and at least one 5 way puppy vaccination when it leaves us, however **a puppy is not fully protected until it has completed the puppy series.** Puppy will need at least 3 follow up vaccinations usually given at 10, 13 and 16 weeks of age, as well as a good worming schedule throughout the puppy months and regularly as an adult.

The puppy will have been wormed on a vet recommended schedule until it leaves us, we treat all puppies prior to leaving us for external parasites, however during their transportation and/if shipping they will come in contact with several other pets.

We give our puppies a well-balanced diet which consists of commercial dog food- Usually dry food. If the puppy is not continued on a balanced dog food we cannot give an extended guarantee.

SPAY & NEUTER: You are required to have the puppy spayed (female) OR neutered (male) before they are 1 year old. **If your vet recommends waiting after 1 year of age (for the health of the puppy) we can accept a letter from your vet stating your discussion and choice to wait until their recommended age.* Spay/neuter must be done prior to ANY breeding or Semen collection. We require this in order to keep our prices low - NO registration papers will be issued until proof of the surgery is sent to us. (If registration papers are applicable)

Proof of surgery OR letter from your vet stating “plan to spay/neuter” must be sent PRIOR to the 1st birthday of puppy.

LIFE THREATENING DISEASE: We give the buyer a TWO year from birthdate health guarantee against a life threatening disease (ex: Congenital Heart Failure) If the purchased puppy should develop such a disease and is diagnosed and euthanized by a licensed veterinarian and if you have a second agreeing diagnosis from a non-affiliated veterinarian, once we are provided with a signed Euthanasia or Death Certificate, we will provide a puppy of the same purchase price within 6 months of the death. You will be responsible for the shipping or pick up of the puppy. If a puppy is not available within 6 months, you will receive a 100% of the puppy price back.

Our adult dogs have been health tested through PawPrint Genetics, a copy of the parent(s)' test results are available to you upon request. A copy is also provided as part of your puppy packet.

10 DAY GUARANTEE: We guarantee our puppies for 10 days from the departing date against Parvo and Distemper. If the purchased puppy should break with either within 10 days of it leaving our home, you must provide the lab results from a veterinary lab test showing the positive results with a signed Dr statement and return the puppy to Morris Farmyard in order to receive another puppy or refund (if no puppy is available). Proof must be shown if death occurs.

This guarantee is only to the person we sold the puppy to. (Our puppies /Dogs can NOT be sold or given away – they are to be returned to Morris Farmyard)
